ANNUAL REPORT 2022-2023

Reach high, for stars lie hidden in your soul.

Dream deep, for every dream leads to a goal.

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them-be it in the area of academics, sports, discipline, leadership and more.
